

# *The Grannie Annie Family Story Celebration*

Publishing Family Stories Written by Young People

## Join the Celebration!

If you are a student in U.S. grades 4 through 8, or a homeschooled or international student 9 through 14 years of age, you are eligible to submit a story to The Grannie Annie. You are invited to interview a family storykeeper and write about something you learn from your family's history. Then share your story with your family, school, and community . . . and with The Grannie Annie!

- Connect with an earlier generation of your family
- Preserve a piece of your family's history
- Hone your writing skills
- Share your story with The Grannie Annie — you could become a published author!

### **Young People Learning and Sharing Family Stories**

**Annual Submission Deadline: February 1**

**Official Guidelines, Submission Form, Resources, and Books available at**
